

**“SAVE A CHILD’S HEART,”
A PROJECT THAT HELPS
CHILDREN IN DEVELOPING
COUNTRIES WITH CONGENITAL
HEART DEFECTS, WAS
FOUNDED...**

...IN ISRAEL.

Did you know that every year, the project “Save a Child’s Heart” sends an Israeli surgical team to help children in developing countries? It’s just one of the many contributions Israel has given the world in the country’s first 60 years.
